

Fed. Mine Safety and Health Review Commission

§ 2701.6

formal adjudication. See 5 U.S.C. 522b(c)(10).

(b) *Closure.* Meetings may be closed, or certain information about a meeting may not be disclosed under the circumstances contemplated by 5 U.S.C. 522b(c)(1)–(10), and under the procedures specified by 5 U.S.C. 552b (d) and (f). Commission employees may attend closed meetings of the commission unless the notice of a closed meeting states otherwise.

§ 2701.3 Announcement of meetings.

(a) *Generally.* The Commission shall publicly announce and submit to the FEDERAL REGISTER at least 7 days before a meeting, the time, place, subject matter of a meeting, whether it is to be open or closed, and the name and phone number of the Commission employee who will respond to requests for information about the meeting. The description of the subject matter of a meeting at which the Commission will consider adjudicatory matters, shall include the names and docket numbers of the cases to be considered. The Commission shall also contact, by phone or mail, the parties to the cases to be considered at the meeting, shall post a copy of a notice of the meeting at the Office of Public Information, shall mail notices to persons who have requested inclusion of their names on a meeting mailing list, and may issue press releases.

(b) *Shorter notice.* If a majority of the members of the Commission or a panel of three or more Commissioners determines by a recorded vote that pressing Commission business requires that a meeting be called in less than 7 days, the announcement required by paragraph (a) of this section shall be made at the earliest practicable time.

(c) *Changes in time, place, subject matter, and decision whether to open or close after public announcement of meeting.* If the time or place of a meeting publicly announced is changed, or an item to be considered at such a meeting is to be deleted, the change or deletion shall be publicly announced without a recorded vote at the earliest practicable time in the manner required by paragraph (a) of this section. The subject matter of a meeting publicly announced shall not be expanded and the decision to open or close such a meeting shall not be

changed unless a majority of the members of the Commission or if a panel of three or more Commissioners determines by a recorded vote that agency business so requires and that no earlier announcement of the change was possible; the Commission shall publicly announce such a change and the vote of each member upon the change at the earliest practicable time.

§ 2701.4 Request to open or close meeting.

Any person may request that the Commission open a meeting that it has earlier decided to close. Any person whose interest may be directly affected by the opening of a meeting may request that the meeting be closed. Two copies of a request shall be filed in writing with the Executive Director of the Commission at the earliest practicable time, and no later than one hour before the meeting. A request to close shall state the interest of the person that may be adversely affected. The Commission shall take a recorded vote on the request if one member desires that it do so. The Executive Director shall inform the requesting person of whether a vote was taken, and, if so, its outcome. Requests shall be addressed as follows: Sunshine Act Request, Office of the Executive Director, Federal Mine Safety and Health Review Commission, 601 New Jersey Avenue, NW., Suite 9500, Washington, DC 20001.

[44 FR 2575, Jan. 12, 1979, as amended at 67 FR 60862, Sept. 27, 2002]

§ 2701.5 Petition for review.

Any person may petition the Commission to review any action he alleges to be in violation of this part or 5 U.S.C. 552b that was taken by any employee or member of the Commission. The petition shall be in writing and shall be filed with the Executive Director within 30 days of the alleged violation. The Commission shall consider and rule upon the petition with expedition.

§ 2701.6 Discussion during open meetings.

Deliberations, discussions, comments, statements, or observations made during the course of an open
